1 The above is an extract of the detailed format of half yearly results filed with the Stock Exchanges under  
Regulation 52 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of  
the half yearly financial results are available on the websites of the Stock Exchange(s) and the listed  
entity (URL - <http://www.vistaarfinance.com/investors.php>).

2 The above results have been reviewed by the Audit Committee and approved by the Board of Directors of  
Vistaar Financial Services Private Limited ("the Company") at their respective meetings held on 04  
November 2020 and 05 November 2020 respectively.

3 The financial results of the Company have been prepared in accordance with Indian Accounting Standards  
("Ind AS") notified under Section 133 of the Companies Act 2013 ("the Act") read with the Companies  
(Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards)  
(Amendment) Rules, 2016.

4 The above financial results have been subjected to limited review by the statutory auditors of the Company  
as required under Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations,  
2015 ("Listing Regulations").

5 The SARS-CoV-2 virus responsible for COVID-19 continues to spread across the globe and India, which  
has contributed to a significant decline and volatility in global and Indian financial markets and a significant  
decrease in the economic activities. On 11 March 2020, the COVID-19 outbreak was declared as a global  
pandemic by the World Health Organization. Numerous governments have introduced a variety of measures  
to contain the spread of the virus. On 24 March 2020, the Indian Government announced a strict lockdown,  
which has now been extended upto 31 May 2020 and has provided guidelines for restrictions and relaxations  
in different zones across India during such period. The extent to which the COVID-19 will impact the  
Company's operations and financial metrics will depend on future developments, which are highly uncertain,  
including, among other things, any new information concerning the severity of the COVID-19 pandemic.  
In accordance with the Reserve Bank of India ("the RBI") guidelines relating to COVID-19 Regulatory  
Package, the Company has granted a moratorium on payments of instalments and/or interest falling due  
between 1 March 2020 and 31 August 2020 to eligible borrowers. For such accounts, where the moratorium  
is granted, the asset/s/step-wise classification shall remain stand still during the moratorium period.  
(i.e. the number of days past-due shall exclude the moratorium period for the purposes of asset  
classification).

Basis the gradual lifting of the lockdown, all the branches of the Company are operational. The employees  
in the branches are permitted to work in accordance with the extant guidelines issued by the Ministry of  
Home Affairs (MHA) and respective state governments. The Company has started disbursements to  
customers in a gradual way from June 2020 onwards. The collections are showing improving trend  
month on month basis. The Company has sufficient funds and outstanding sanctioned credit facilities  
which are adequate for the foreseeable future. Accordingly, the Company does not expect a stress in the  
liquidity situation in the immediate future.

The Company has recognized provisions as on 30 September 2020 towards its loan assets, based on the  
information available at this point of time including economic forecasts, in accordance with the expected  
credit loss method. The Company believes that it has considered all the possible impact of the known  
events arising out of COVID-19 pandemic in the preparation of financial results. However, the impact  
assessment of COVID-19 is a continuing process given its nature and duration. The Company will continue  
to monitor material changes to future economic conditions. The management has made an assessment  
of the impact of COVID-19 on the Company's operations, financial performance and position as at and for  
the half year ended September 30, 2020. Basis the same, the Company has made an additional Covid-  
19 related provision of Rs.550 lakhs towards impairment of its loan assets.
